## Away With Pills and Purgatives!

every time you want to loosen the bowels is a bad one, for in time you will destroy the activity of the digestive tract and you will have to rely entirely on medicines for action. This is not a pleasant thing to look forward to. From infancy to old age the use of strong purgatives should be avoided. This can be done by the use of a mild laxative like Dr. Caldwell's Syrup Pepsin. While it is mild enough for a baby to use yet it is strong enough to give action in the most robust constitution. The letters of endorsement the doctor gets are from no one class-mothers who take it, mothers who give it to babies and children, people in the prime of life, and old people. and children, people in the prime of life, and old people. It is successful with them all. It is in truth the ideal remedy for constipation, indigestion, biliousness, heartburn, gas on the stomach, sour stomach and all other manifestations of stomach, liver or bowel trouble. A bottle can be obtained of any druggist at fifty cents or one dollar, but you can make a free trial of it by writing Dr. Caldwell for a free sample bottle. He will be glad to send it to you. You cannot do better than read the letters printed here, and then act on their suggestions.

Dr. Caldwell does not feel that the purchase of his remedy ends his obli-gation. He has specialized in stomach, liver and howel diseases for over forty years, and will be pleased to give the reader any advice on the subject free of Charge. The Gordonsville Methodist Sunday school held its rally in the church building here on Thursday night as a result of a contest. On the fourth Sunday in February the school was divided into two forces, with J. F. Crickenberger, captain of the "Blues," and John Utz, captain of the "Blues," the purpose of which was to build up the school, the contest to last one month. During that time more than fifty new pupils were enrolled. As the result of the contest the "Blues," who were defeated, were to entertain their opponents at an tea cream festival, the defeated ones to all appear in aprons and serve the victors.
